A Family History

The saga started in 1898 when Marie Ambal, after her husband's death returned to Burgundy and established her sparkling wine business company in Rully. During 30 years, she developed her company to make it become an Institution. Since then, the following generations perpetuated her know-how and developed the Company.

Eric Piffaut and his son Aurélien, 5th and 6th generation are now in charge. Veuve Ambal is nowadays the synonymous of Crémant de Bourgogne, the brand is known all over the world for the high quality of its sparkling wines. Based since 2005 in Beaune, it is the leader of Crémant de Bourgogne, producing 30% of the appellation.

Prosper Maufoux

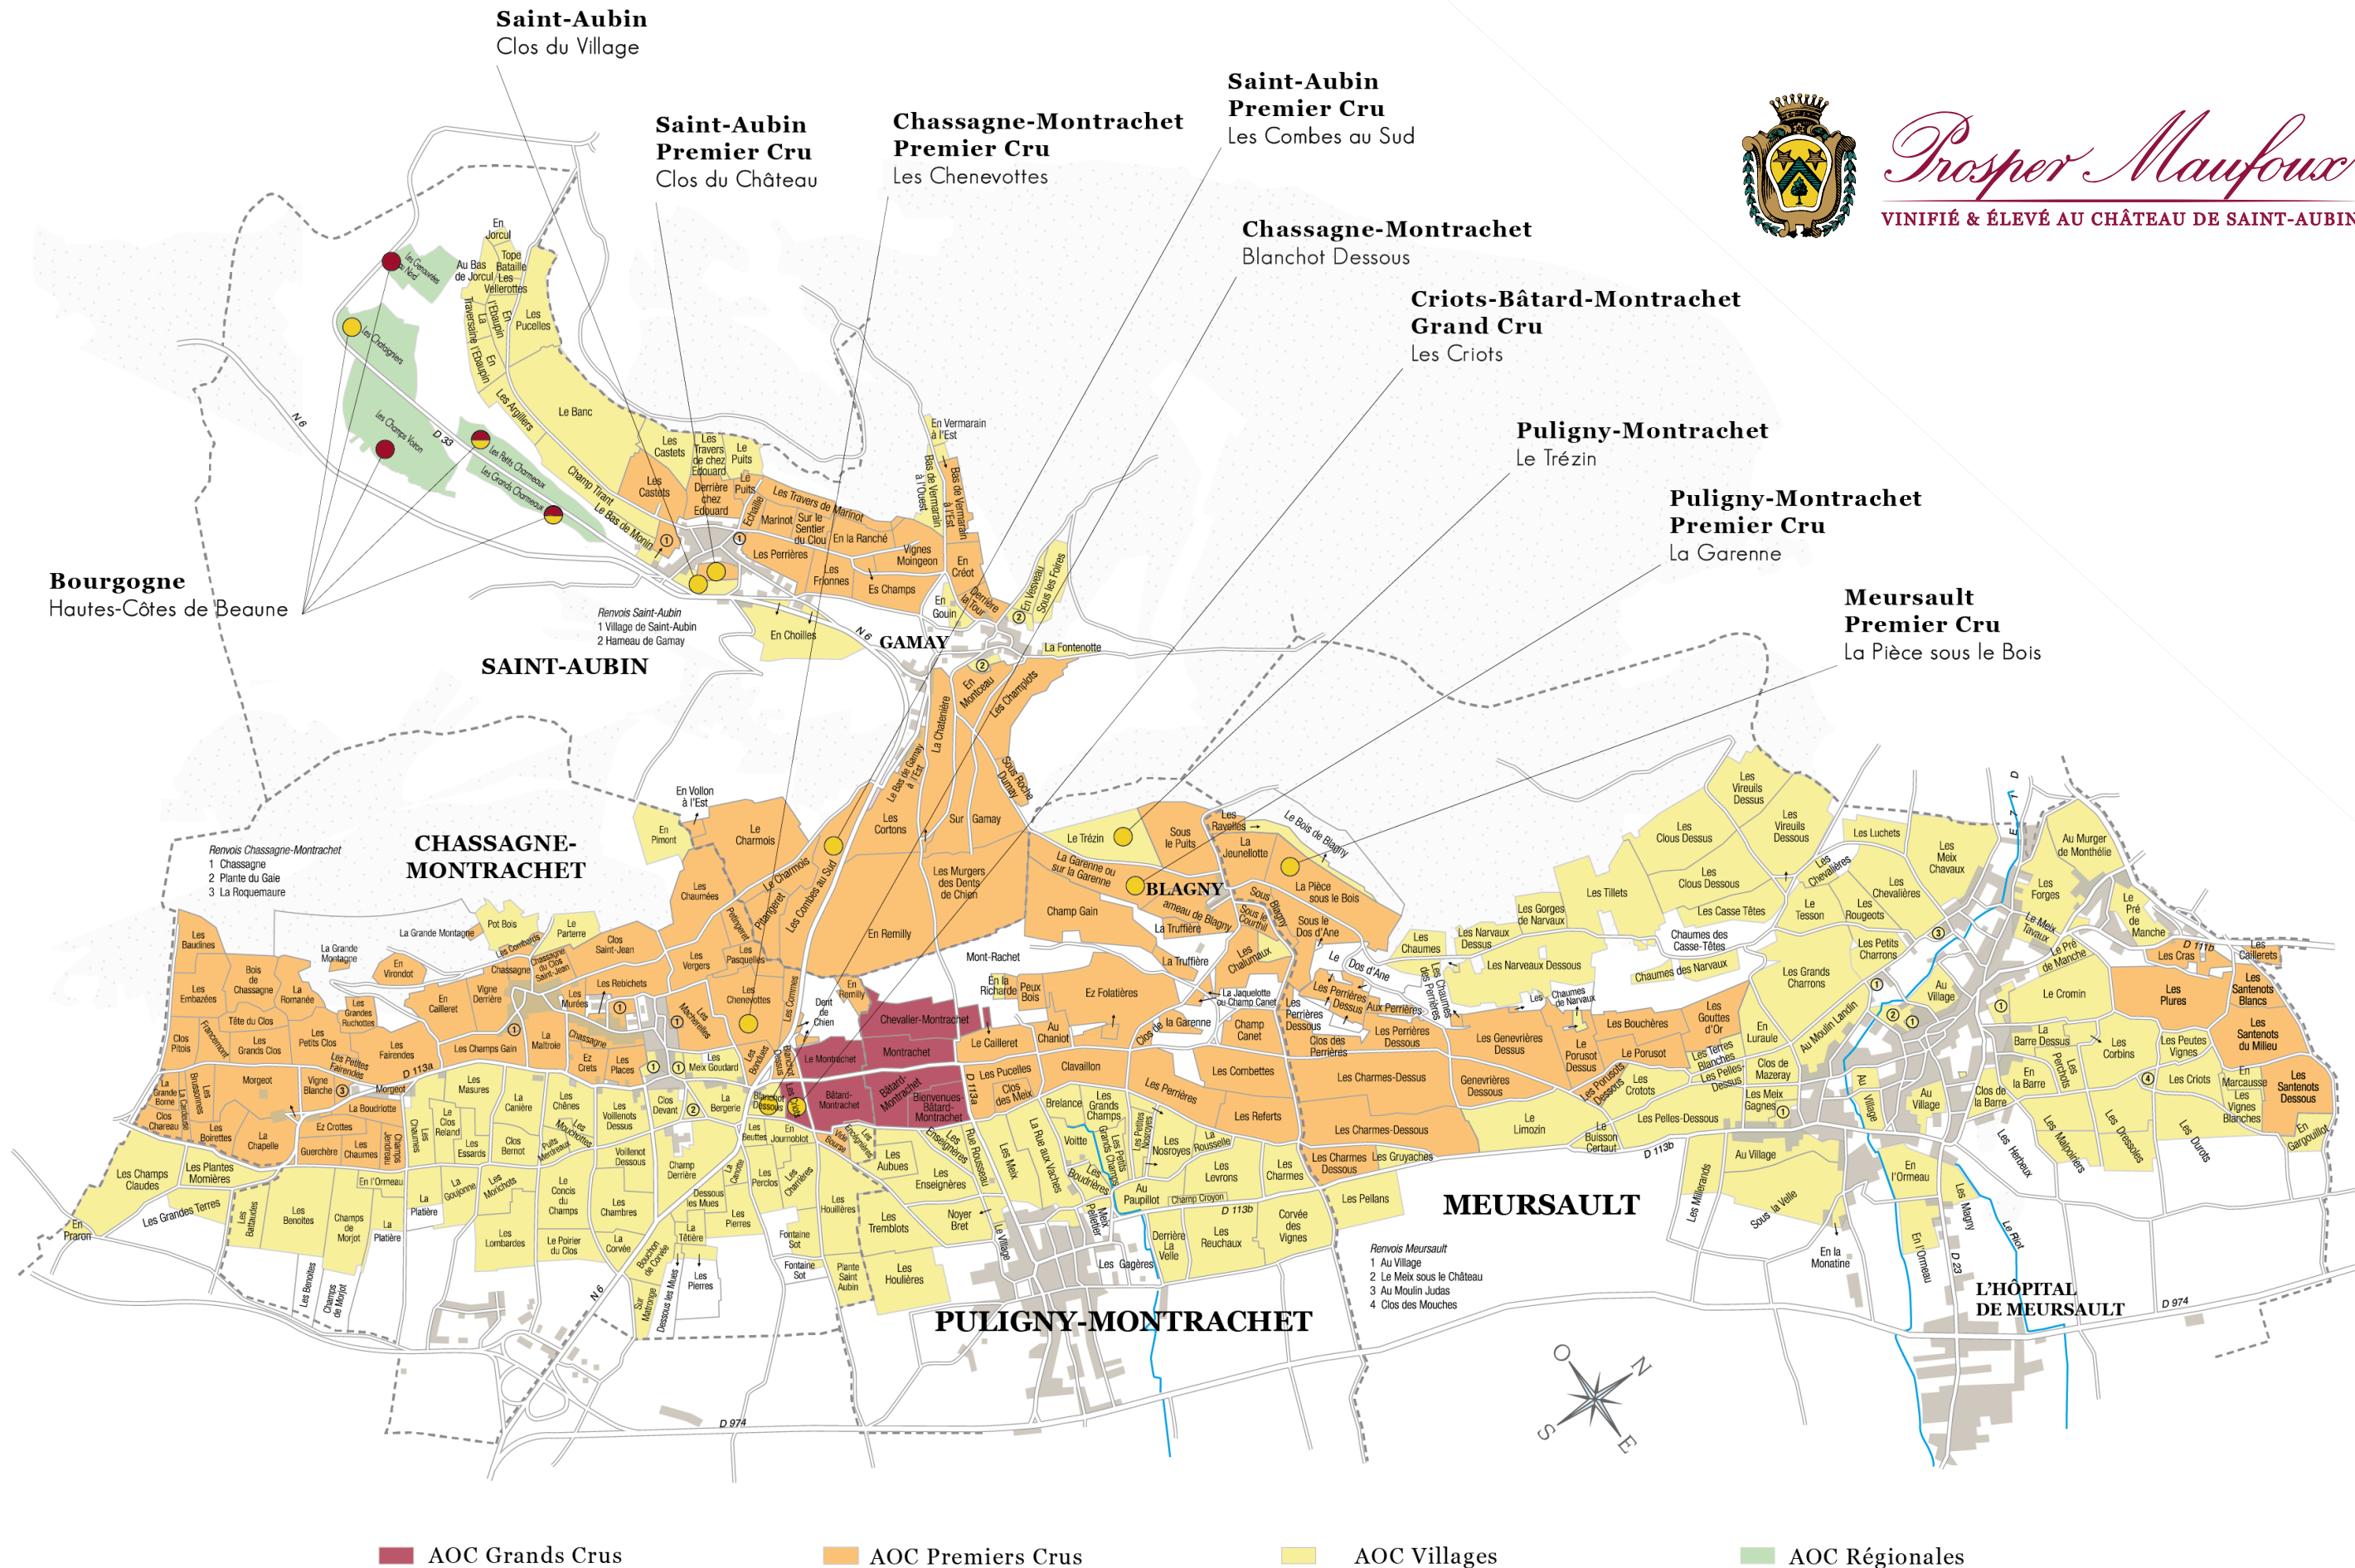

GRANDS VINS DE BOURGOGNE

Prosper Maufoux winery story started in 1860 in the famous village of Santenay with great White Wines of Côte de Beaune and whites and Reds from the same village. The addition of 26 acres of vineyards from the village of Saint-Aubin keeps the story going.

Prosper Maufoux is now located at the Chateau de Saint-Aubin with a brand new state of the art cuverie. Featuring great whites from the Cote de Beaune from Meursault up to Criots-Bâtard-Montrachet Grand Cru. The Saint Aubin 1^{er} Cru «Clos du Château», is not to be missed.

Maison Marcel Amance belonged to the Maufoux family, an influential Burgundian family whose successive generations since 1860 have devoted themselves to the production of great wines.

The House was taken over by the Piffaut family, another historic winegrowing family of Bourgogne, in 2010, at the same time as Maison Prosper Maufoux.

Today these Vins de France are the testimony of this age-old family know-how. The emblematic grape varieties of the family's region of origin are worked in the classic and delicate style that has characterised them since the beginning:

Chardonnay offer elegance, notable mineral character and remarkable aromatic depth, while Pinot Noir is fresh, offering expressive blackcurrant notes while retaining great finesse.

La méditerranée en effervescence

RIVAROSE is a Protected Geographical Indication
« Méditerranée ».

The grapes that we use for this sparkling rosé wine
are picked in the heart of the fabulous terroirs
of Provence. Rivarose is mostly made from the
Mediterranean grape variety Syrah vinified and aged
by us in the town of Salon de Provence. It is aged
for a minimum of 6 months, to allow the wine to
develop fine bubbles and complex aromas.
